

Team Spirit Promotions

2010 - 2011

Season

We are Team Spirit Promotions. Team Spirit Promotions is offering FREE SPIRIT ITEMS to your School. The reason we can offer your schools free spirit items, we go out in your community and promote sponsorship for your items. The sponsors take care of the item being printed (in your school colors) and the shipping directly to your school/organization. On one side of the item would be your school name and your mascot, and on the other side of the item is the sponsor's information. This is a great program. Some schools use these items as a fundraiser, also as a giveaway to increase team spirit. The Money you receive from your fundraiser is 100 % yours to keep at the school. This is no gimmick and there are no hidden cost to your school/organization. We will do our best to keep the interest of your school/organization in mind.

Sincerely,
